Residential Sewer

Sewer fees are based on your prior monthly winter average water use during those months when the least water was consumed city-wide. Sewer fees are \$2.88 per unit plus a base charge of \$13.58 per month. For new customers with no winter month average the monthly rates are as follows:

SEWER RATES				
Single Family Monthly Service Fee	\$38.80	\$6.80 deduction		
Multi-Family Monthly Service Fee	\$26.60	\$6.80 deduction		
*Lift Station Monthly Service Fee	*For customers in specific geographical areas. \$5.05			

Notes Regarding Sewer Rates

The rates are set according to customers' actual usage history. For new customers without a winter average in that home, the single-family rate assumes a winter average of 8 units, and the multi-family rate assumes a winter average of 4 units.

Low Income Discounts

Low income discounts are available for qualifying customers. Please call Utility Billing Office at 779-7221 for more information.

Perchlorate Surcharge

A 3% surcharge will be added to all water service charges.

Commercial Accounts

Fees vary depending upon meter size and type of business. Sewer charges are calculated monthly based upon actual water usage. Call for more information.
